Curriculum Vitae (CV)

What job i'm looking for? My positive points

It is my best interest to be working as miner ever since I was young. I did multi task at Tautona mine in 2013 but unfortunately when I applied for a job they said I don't have experience. I like working with people as team, I am a fast learner, hard worker that is the reason I want to be a miner that will gain me experience.

On the other hand I have security GradeC. When I did security it was my best to serve people of my country to fight crime and other illegal activities.
