Curriculum Vitae (CV)

What job i'm looking for? My positive points

I lived on a farm for many years while working in town. I worked all my years with a staff compliment with not less than 30 employees. I love building people up, with power point presentations and always surround myself with people that know almost more than myself.

I had a private pilot license up to the age of 60, and have a code EC (code 14) drivers license. Both myself and my wife are very healthy and I retired at the age 65
