

Tshepang Steward Mothetsi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I recently completed my diploma qualification in civil engineering and I am looking for any possible opportunities under my qualification to enable to be a fully certified technician. My qualification does not need in-service training in order to complete it, so it acts as a disadvantage for me to be a technician, I need to have at least 1 year experience and register myself at ECSA afterwards I could be called a technician. I am an ordinary person with a flexible mindset, optimistic with problem solving and critical thinking skills. I am computer literate with excellence in microsoft word, excel and power-point, also excellent at civil engineering software designs: Prokon, Autocad/Civil3d, Epanet & ProjectLibre.

Preferred occupation	Technician Construction jobs
	Generals General jobs
	Lab technician Engineering jobs
Preferred work location	Johannesburg Gauteng
	Bloemfontein Free State

Contacts and general information about me

Day of birth	2002-06-27 (22 years old)
