Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm siyabonga soka staying at rural place called kwangema in mpumalanga. I want to work as a general worker so that I can earn money to save it for studies that I wish to persue in the following years. Another thing I want to take care of my family so that they will not struggle.

I just finished my matric last year and I passed very well , When I got my results I was really happy because my aim was to finish my matric so that I can take care of my family but you can't do that if there is nothing you rely on.I really want this job because I will be able to do things that will make me more older and more mindful to take care of people that i love so that i can have more blessings for something that i wish to have in following years.
