Curriculum Vitae (CV)

What job i'm looking for? My positive points

I believe that my qualifications and education background are a great fit with the kind of candidate your company is looking for. I'm a soft drinks processing operator and bricks margarine and palletizing operator for over 10 years at Unilever foods and sigalo foods.

I leaned and developed love and passion for the Job I did. I always do my best to to bring change and development for the company to grow. I'm also willing to learn, that that's why I need to explore a different field of employment.

I look forward to hear from you.

Regards

Elliot Tebogo Mohlamonyane.
