Curriculum Vitae (CV)

## What job i'm looking for? My positive points

Good Day

I am a South African Indian young man who is seeking a position in Mechanical Engineering with Transnet.

I am looking for position of artisan in Mechanical Engineering.

I have experience as Fitter, machine repairs, Auto Electrical and general Mechanical Engineering duties. Place me in any situation and I am a problem solver in my field of Engineering.

I am a fast learner and I have completed Mechanical Engineering Diploma and currently studying partime in the field of Electrical Engineering. I have completed National Level 4 in Electrical Engineering.

I am prepared to work at Transnet branches in Durban and North Coast up to Richards Bay.

I am prepared to relocate as I am unmarried and can relocate anytime.

Please consider me for position in Mechanical Engineering. I am a hard worker and prepared to work shifts and overtime. I am young and energetic and consider myself a hard worker who loves challenges as I am extremely innovative.

Preferred occupation                      Engineers  
Engineering jobs

Preferred work location                      Durban City  
KwaZulu-Natal
