Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a highly motivated and progress-focused Operator with a long-standing background in this industry. With a track record of initiative and dependability, I have devised strategic initiatives which I believe will prove valuable to your company.

I have perfected my equipment operation and installations and repairs abilities. I am a capable and consistent problem-solver skilled at prioritizing and managing projects with proficiency.

In my previous role, I contributed time-management, team-building, and materials handling toward team efforts and business improvements. I am progressive minded and in tune with new developments in my field. I have proven to be effective and collaborative with strong decision-making talents. I enjoy collective brainstorming sessions which all me to coordinate activities to achieve a common goal.

As you review my resume, you may notice a brief gap in my work experience and time I left school. I had to relocate across country to accommodate a new career opportunity for my mother. While managing the logistics of my move, I studied industry news, trends and events to keep my knowledge current. I am now settled and prepared to take the next steps in my career.
