What job i'm looking for? My positive points

I would like to express my strong interest in a teacher job opening at your school. As a newly qualified foundation phase educator and an early childhood development practioner, it gives me great honor to apply my knowledge and practice at your institute.

I am confident that my professional qualifications meet and exceed those demanded of this position. More importantly, I am a patient and a flexible team player, yet firm in my communications and decisions. These qualifications make me ideally suited to work in this multi-faceted environment.

I am committed to providing a safe and supportive learning environment for all students. I have a strong belief that all students can learn and achieve success, and I will work efficiently to help each student reach their full potentials. I can coach netball, table tennis and chess.

Thank you for your time and consideration. I look forward to speaking with you further about the position at your school. My resume is enclosed for your reference and I am willing to relocate.
