excellent service standards, efficiency and performance. Possessing substantial experience at project management level means that I can quickly identify ways to optimise profitability.

My career on management level developed when I joined Tradimex as Export Fuels Team Leader, wherein I was responsible for ensuring cross boarder export compliance and delivery of products to client including Total and Shell. My career further progressed when I joined Woolworths as Exports Manager responsible for end-to-end supply chain and exports of clothing (and some perishables) to Woolworths's outlets in Uganda, Tanzania, Zambia, Mozambique, Kenya, Namibia, and Mauritius.

In addition to my extensive career experience, I have completed a Management Development Programme through the Stellenbosch Business School and an Advanced Diploma in Management through the University of Western Cape. I have completed a BCom Degree in Business and Supply Chain Management through the University of Western Cape.

I am a well organised, articulate individual, driven to achieve quality and focused results. My strong communication and analytical skills contribute to building collaborative relationships to benefit company objectives. I have the innate ability to prioritise work, and well under pressure and
