Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a very passionate student at the University of Pretoria doing my 4th year under the faculty of education. I have learned to be a professional teacher these past years when I did my teaching practicals at (KwaMhlanga high School, Ngulu Secondary, J.Kekana Secondary School, and Tshwane Secondary school). I learned that teaching is more of a job, it's a calling, you must love and respect what you do as a teacher meanwhile being inclusive to all learners. I am polite with good communication and management skills.
