Dear Sir/Madam,

Application for the role of Driver

I would like to apply for the role of Driver that you have got advertised.

As a Delivery Driver with a proven background in transportation and distribution while in customer-facing positions, it is with great excitement that I submit my resume for consideration to become a member of your team.

I am a very experienced driver with an exemplary delivery vehicle record of driving and a clean driving license. I have been working for a private hire company driving limousines for a number of years and the clients range from parties to business people taking clients to various places and looking to impress them.

I am an excellent communicator and feel that I get on well with all levels of people. I always ensure that my vehicle is kept clean and tidy at all times and that I regularly wash the car outside to create a good impression. I am also used to wearing my uniform or something equally smart when delivery goods as this is the right impression to create.

I am now looking for driving job. I have an excellent knowledge of roads and find new routes quickly.

I have enclosed my CV which details my skills and experience. Should you have any further questions please do not hesitate to contact me.

Thank you for taking the time to read my letter and CV.

Yours sincerely
