

Reanette Cilliers

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a creative and hardworking designer with artistic sense and technical expertise to manage any graphic design need. I am experienced in conceptual design, layout management and organisational problem-solving. I am a practiced multitasker and deadline driven. I have experience in a fast-paced marketing environment which allowed me to see the power of working in a team. I also worked a lot with exporting images for web, layout and composition design and mailers. I am a perfectionist and detail-oriented designer who always strives to ensure that the golden thread shines through the tone of voice and visual concept. I value the fast-paced environment of the creative industry that allows for growth in various different areas. I am curious and always open to learn. I am ready to streamline into new projects and ongoing production efforts.
