Curriculum Vitae (CV)

What job i'm looking for? My positive points

I believe my N4 Certificate in Engineering Studies makes me one of the ideal candidates for the Code 10 Driver and Construction jobs that are offered at Transnet because of my driving ability, attention to detail and punctuality and time management.

I'm currently in completion of my N5 and N6 certificates as well, with one subject remaining to pass in both levels, which is Building & Structural Construction. This enclosed resume provides more details of my skills, and apart from not having any work experience, I believe that I'd be an asset to your program because of my natural and physical abilities.

Thank you for your time and consideration.

Sincerely,

Vusumzi Jr Zwane
