Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a very well determined and goal-driven young man that has just completed matric year 2022 with a bachelor's pass. I'm taking a Gap year and I'm looking for a job that's going to keep me occupied for the rest of this year, a job where I'll feel uncomfortable if there's no work for me to carry out. I'm open to learning new things as I'm a fast learner. I'm a good critical thinker, I love challenges and which is why I love solving problems.
