Curriculum Vitae (CV)

## What job i'm looking for? My positive points

My name is Banele Njilo, I have a Diploma in Transport management from UJ. I finished in 2020 and ever since I haven't got anything solid, because of this reason I am even willing to relocate because at the end of the day I want to provide for my family and I. I am a hard worker of note and having me in your team will not only benefit me but the business as well. I have good customer service skills of which some are natural and some were accomplished during my training at Ackermans retail store and Vogue Champagne Lounge as a Bartender.

Please see the CV below to learn more about my capabilities.
