

Mbulelo Totose

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a highly driven hard working, motivated and capable individual seeking for a position in an ideal environment in which I can pursue my goals and be part of a hard working team. I am always able to take the initiative, hold an intense work ethic, work under pressure and meet deadlines. My studies have given me a groundwork of Mechanical Engineering, and analytical skills that are crucial for me to thrive in this field.
