Curriculum Vitae (CV)

## What job i'm looking for? My positive points

One thing that I absolutely love about myself is that no matter how poorly I've been treated or what I'm going through, I'll always have a heart of gold that's why I love to work with people because I understand people are different so you must take them as they are and respect and be patient with them. I'm looking for a job where I can communicate with people like PEP, Mrp ect.
