Curriculum Vitae (CV)

What job i'm looking for? My positive points

Mostly I would like a customer service Job in a call center environment. I love helping customers in whatever complaint they might have and also currently I am dealing with them everyday at my workplace but I feel I wasn't cut being in a food industry so that's why I am looking. My strongest point is that I am so calm I don't easily get pressured. I am versatile, I gel with every kind of people. And my weaknesses is that I easily feel for the people, I take their problems and make them mine.
