

Charlton Jabulani Mpofu

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Im a hard worker, respectful and professional. I always tell people that my name is Jabulani, happiness in english im always happy unless im not well. I compare myself to a tortoise its very slow but because its goal is to move from point A to B it does that despite its pace. Its shell hard but its harmless. I always humble myself before people. always finish what i start. There other reason i compared myself to a tortoise is that no matter how hard the job is and how slow a single day my be job given to me job must be done. Thank you
