What job i'm looking for? My positive points

Business Analyst

I recently completed my Diploma in ICT in Business Analysis and am eager to begin my career in this field.

Although I do not have any professional experience as a Business Analyst, I have gained a solid foundation in the principles and practices of business analysis through my coursework. I have learned how to identify business needs, gather and analyze data, and develop solutions to improve business processes. Additionally, I have experience working with various software tools such as Microsoft Excel, Access, and SQL.
