## What job i'm looking for? My positive points

I am very outgoing and friendly. I work well with people and very welcoming personality. I believe that first impressions count and to maintain customers you have to leave a mark on them the first making sure that they come back just because they engaged in conversation with you. I also have great leadership skills as I have held many leading positions during my school years so I believe I would also be able to apply that in a work environment.
