

James Mokgabudi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a 28 years old young and energetic, effective and determined young man. I am career driven with an intend to become one of the renowned engineers in my community, my determinations are driven by my desire to achieve and secure an entry-level position as a fitter. It is Doable, Achievable and possible to achieve what most deem as impossible

The theoretical knowledge that I acquired while studying my [N2] Fitter and Machining theory made me want to do more. I am a participating team player with an intend of reaching team target's and goals as safely, effectively and timely even under immense pressure

I see this application as an opportunity to outshine my ambitions and be among the best of the best of your employees
