Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for either a permanent, contract, learnership or an internship job. I would much likely to prefer an internship because it will offer me some mentorship and new ideas as I only have a 1 year experience in the IT field.

I focus on the good things

I have strong sense of humor

I love to explore new ideas and be creative

I enjoy spending time on my computer

I'm self confident and goal driven

I believe I'm a suitable candidate and I strongly believe that I will take your company to higher lengths with my dedication and skills. I'm looking forward to meeting you in person to share my insights and ideas with you
