Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I'm looking for any government jobs such as your department of labour or any related environment and also willing to try in the banking sector such as your Capitec, standard bank ect

My positive points are that I'm already familiar with an environment where I deal with people everyday and their different behaviours and I must say I'm doing so good thus far and with my warm heart and the happy to help mood that I always carry to make sure that our customers always leave our premises happy, I can overcome any challenges I come across

One last thing is that I'm a hardworking individual who's committed and transparent and mostly engage very quick with others

When I do something I always give the best of my ability
