

Elmarie Salies

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am currently working for an engineering company we specialize in fabrication and manufacturing of Eskom towers and substations. I am a production administrator and do procurement as well. I would like to expand my knowledge in the industry and grow as an individual. I am a fast learner, hard worker, team player, self motivated. I also have a Nc3 qualification in production technology, and I'm a first aider for the company. I know how to read drawings and know steel members and profiles I also have a background of quality that I have thought myself in the time spent in this industry
