Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a company that will support me and give me strong targets. I have no job experience as i finished my matric last year but I am a fast learner,willing to learn new things and would like to find an employer that will recognize me and offer me a challenge.I want a job that lets me move up the ranks, a job that offers a flexible schedule and allows me to spend more time with my family. My career goals focus around upskilling and training, so finding a workplace that can support that, with structured opportunities to progress, is important to me.
