What job i'm looking for? My positive points

Dear Employer

I am writing to express my interest in the general work position that is currently available at your company. As someone who has worked in both retail and furniture shops, I believe that I am uniquely qualified for this position and would make a valuable addition to your team.

During my time working in retail and furniture shops, I have gained a wealth of experience in customer service, sales, and logistics. As a store packer and dispatcher, I learned how to work efficiently under tight deadlines, pay attention to detail, and communicate effectively with customers and colleagues. I am confident that these skills would transfer seamlessly to the general work position at your company.

In addition, I am a quick learner and adaptable to change. I am always eager to take on new challenges and learn new skills, and I believe that this attitude would make me an asset to your team. I am also a team player and thrive in collaborative environments where everyone works together to achieve shared goals.

Overall, I am confident that my experience and skills make me a strong candidate for the general work position at your company. I am excited about the opportunity to bring my expertise and enthusiasm to your team and contribute to the success of your business.
