Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am an efficient female, who is dynamic, enthusiastic, self-motivated, disciplined and able to work independently. I want a career that I can define, not a job.

I am ready to align myself with this company and more than ready to step into this challenging opportunity.

I am dedicated, and I will go the extra mile to make a success of myself, not forgetting my company. I believe that courage and determination is the key to everlasting success. I would be appreciated if I am given a chance to fill the position. I can very well build work relationships and at the same time I know how to keep it professional.

I am an efficient individual who can work together when put in a team with other individuals. I believe that hard work pays off some day.
