Curriculum Vitae (CV)

What job i'm looking for? My positive points

To whom this may concern,

I am passionate about supporting people and love interacting with them. I am agile, versatile, and a hard worker with previous exposure to administrative functions, and logistical co-ordination, as well as working in a call center. Having worked in Europe before as a student, I do have the background to be able to engage, interact and connect with people from different cultures, ethnic groups, and religions with respect.

I am also a final-year student - online/flexi-time, doing a degree in social science with a major in psychology and counseling, with certificates in 'Creative Writing', 'Completion Exploring culture & intercultural

competence', as well as 'Lay-counselling'.

On a personal front, I like horses, baking, writing, to be active, and my favorite is pizza.

Please kindly consider me for your vacancy as I do feel I will be an asset to you and your clients. Sincerely,

Mari Craythorne
