What job i'm looking for? My positive points

I am young man who is seeking for a challenging experience where I can fully express my skills for the benefit of the organisation. I'm flexible to any change in the workplace and always willing to learn. I'm a very cautious driver and I obey all the rules of the road. I have a Code 10 driver's licence and have been a driver for years driving for Violet Siwela who used to be the MEC and she can vouch for me because I used to drive her from Mpumalanga to different places for her parliamentary meetings
