Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am an efficient college student (Electrical Engineering-Heavy Current) currently Studying towards a Diploma in Electrical Engineering at Flavius Mareka TVET College and looking for any opportunity. During the course of my academic career, I also managed to accrue nearly 4 years of work experience. I had the privilege of working for Memel Post Office in a postal assistant role in my free time, where I learned valuable professional skills such as customer service; customer needs assessment, and customer satisfaction. And also worked for Ermsa Electrical Holdings (Pty-ltd) as an Electrician, where I gained insight into Industrial Experience in the field of Engineering. In both my academic and professional life, I have been consistently praised as focused by my professors and peers. Whether working on academic, extracurricular, or professional projects, I apply proven leadership, management, and problem-solving skills, which I hope to leverage into the Position available at your company.
