Curriculum Vitae (CV)

What job i'm looking for? My positive points

Learning is a life long phenomenon and I intend on participating in grooming and moulding young minds. My life Philosophy is I can do whatever I put my mind to, I'm a firm believer in that and I don't for a second doubt my capabilities. I intend on instilling that mindset in the young minds so kids grow up with a positive mindset and know that they can face and overcome whatever life throws at them.
