What job i'm looking for? My positive points

Assistant based jobs. I am looking for jobs with my qualifications. Jobs that require no experience. Jobs that will help me career wise. I am willing to do challenging work even if I haven't done it before because I know I am capable.

I am a very upbeat and positive person who enjoys both working as part of a team with others and also on my own. I consider myself a people-person who enjoys helping others through great customer service. Most of all, I bring my heart.
