Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for any general job that will help me feed my family. I completed my matric - grade 12 (2011) and went to college where I earn my certificate in business administration services.

I'm a hard working person with passion and always willing to gain experience in different working industries.

I'm a good listener and do as told after a request.

Thank you.
