Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am writing to you with regards to the recent Call Centre/ Sales Consultant position that I saw advertised on the internet.

I have a total of 8 year and 3months work experience in this field and am confident that I am the best candidate for your vacancy. My present position has taught me the importance of clear communication and customer service over the phone and physically. In my current role I resolve customer problems, give sale purchase and take accurate notes of conversation with customer.

I am a goal and result orientated team player who is reliable, punctual and experienced in taking inbound calls and receiving and sending emails from customers regarding product and services. Over the phone I will be an excellent ambassador for your company, and someone who will create a professional first impression that customer will remember for the right reason. Furthermore, I have a proven track record of increasing sales, up-selling, cross selling and dealing with a high volume of calls on a daily basis.

I consider my strongest points to be my impeccable phone manners, my clear voice and my ability to deal with agitated or distressed customer.

Should you find interest in my application, then I will be available for an interview at your convenience. I have enclosed my curriculum vitae and I am willing to provide any other details you may need. I have excellent references and would be delighted to discuss any possible vacancy with you at your convenience.

Thank you for your consideration and looking forward to hearing from you.

Yours sincerely
