Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a hardworking team member who is always striving to better himself through learning and gaining experience in my field Wich is mechanical fitting but I am not limiting myself I consider myself a versatile individual who is a fast learner.Im currently seeking employment in the mechanical engineering field specifically under fitting and turning with a trade test and a college NCV level 4 mechanical engineering qualification.looking to add more experience to the 5 years I already have. Would appreciate an opportunity to add my qualities to any company that is looking to utilise my services.Thank you
