What job i'm looking for? My positive points

Any vacancies in restaurants would be good for me. I love being around people and ensuring that they having the best time and best treatment. Improving and learning are things I love doing and always find a way to apply the things I learnt and share my knowledge. I'm a adaptive individual and very optimistic even through adversities. Never once in my life have I allowed my emotions to stop me from achieving my short term goals and daily activities.
