Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for General Worker position because I'm good at working with different things and at different places so general worker position is really good fit for me cause I'm also a hard worker & a fast learner. I do have experience in retail, domestic worker & taking good care of kids but I don't want to limit myself cause I still want to learn more & gain more experience in any particular position that I'm offered. My ability to adapt to any working environment makes me a perfect candidate to apply for general worker position cause I can do anything when I put my mind & heart to it as I always do.
