Curriculum Vitae (CV)

What job i'm looking for? My positive points

As a journalist, I have been in the field of reporting for over 15 years now, working for Daily Sun newspaper. I have been covering lifestyle news for them though I am currently writing for Ujama Live Africa, an online platform where we cover all types of beats. I am sort of volunteering here to keep myself busy while I am still looking for a job. I am also very good in taking pictures for the print. My level of experience as a writer working directly with the editors in the newsroom will help me to excel anywhere I work. I am a good writer and open for any job opportunities available in the media space.
