Curriculum Vitae (CV)

What job i'm looking for? My positive points

Dear Sir/Madam,

By means of this letter I would like to inquire about the possibility of filling an outstanding internship position in the esteemed The company. My preference would be to fill the position of a boilermaker.Or neither the general woker

I am currently studying Mechanical Engineering at Lephalale tvet college. During these studies, students are readied to become a boilermaker. I would like to use my skills with The company, in order to make optimal use of my acquired knowledge.

I would describe myself as someone who is ambitious and determined and can work under pressure calm and collectively. I would like to put these characteristics to use within your organisation. My experience as mechanical Engineering student at Lephalale Tvet college, has provided me with the expertise to be able to make a valuable contribution to The company in the position of a boilermaker.

I would like to further explain my motivation to work at The company during a personal meeting.

You can reach me either by phone via 082 402 7629 / 065 875 5674 or by email via

lehlogonolobrone95@ gmail.

com.

Thank you for your consideration. I look forward to hearing from you.

Sincerely.

Brone lehlogonolo Khosa
