Curriculum Vitae (CV)

What job i'm looking for? My positive points

Dear :SIR OR MADAM

I was excited to learn about the engineering position posted on your company website and would greatly appreciate your considering my placement in this role. I've closely reviewed the needs and requirements for this role and believe that my qualifications have prepared me to contribute immediate value to your organization.

While in school, I worked hard to hone my planning and communication skills. I am focused and attentive to detail when addressing high-volume task loads to meet deadlines. I am inspired by making a positive impact by applying teamwork skills and my problem-solving abilities allow me to address challenges to achieve results.

My academic experiences have served me well in developing my communication, observation, and planning skills. I work well to use clear and concise communication to interact professionally with co-workers, supervisors and customers. I look forward to speaking with you regarding my skill set and attributes which I believe will serve as an asset to support impala's goals. Please take a moment to review my attached resume. Thank you for your time and consideration.

Sincerely,

Onthatile Tsitsi
