

Hlumelo Nobamba

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Sincerely,

Hlumelo Nobamba,

Preferred occupation: Auto mechanics
The hiring manager: Auto repair jobs

Preferred work location: Durban City

I am writing to express my interest in the learner maintenance opportunity at Toyota, as advertised on source. I have completed my matric with excellent results in Technical Maths, Technical Science, Engineering Graphics, and Mechanical Trade Theory. I am eager to learn from the experts at Toyota and gain practical skills in the automotive industry.

Day of birth: 2001-06-20 (23 years old)
Gender: Male

Residential location: Durban City

Toyota is a global leader in innovation, quality, and customer satisfaction. I have always admired

Toyota's vision of creating a better society through mobility and its commitment to environmental sustainability. I share Toyota's values of respect, teamwork, continuous improvement, and

customer focus. I believe that joining Toyota as a learner maintenance would be a great opportunity for me to contribute to its success and grow as a professional.

Education

Degree: Grade 12 / Matric
I have a strong interest in mechanics and electronics, and I enjoy working with my hands. I have

Educational institution: Phoenix technical school
participated in several projects at school and at home that involved repairing, assembling, and

Building a qualification: Matric
building various devices and machines. For example, I helped my father to fix his old car by replacing the battery, spark plugs, and alternator. I have learned how to use different tools, follow

instructions, troubleshoot problems, and work safely.

| Language | Speaking level | Understanding level | Writing level |
|----------|----------------|---------------------|---------------|
| English | very good | very good | very good |

I am a hard-working, reliable, and enthusiastic person who is always willing to learn new things. I

have good communication and interpersonal skills, and I can work well in a team or independently. I

am flexible and adaptable to different situations and challenges. I can handle pressure and deadlines with ease and efficiency.

Additional information

I would love to be part of the Toyota family and learn from the best in the industry. I am confident that I have the potential and motivation to excel as a learner maintenance at Toyota. I would appreciate the opportunity to discuss my application with you further.

Thank you for your consideration.
