What job i'm looking for? My positive points

Am looking for an learnship for a counsellor. Am a student currently I need this learnship to gain experience on the kind of job I want to do in future. My dream is to help those who have no one to talk to and who have things they want to bottle up as it is not easy sometimes to talk to our loved ones we would prefer rather to talk to someone who will not judge you. This learnship will have a very good impact on me and I promise to give it my all and not disappoint.
