What job i'm looking for? My positive points

Dear Sir/Madam,

I hope this email finds you well.

Are you looking for a highly motivated individual?

Who has a passion to learn and increase skills?

Who has attention to detail, excellent communication skills and the ability to work under pressure?

If so, then look no further. Please see my full CV.

I would very much like to discuss the opportunities with the organisation. This would be a great opportunity and I strongly believe that if given the opportunity I will prove myself and contribute to the growth & success of the organisation.

I am a highly technically competent individual who goes the extra mile as a matter of habit and principle, because I do not know how else to operate. This is evident both in my work and hobby activities, as well as in my personal life. I'm someone who is dedicated, focused and detail oriented.

I believe that I would be an asset to your organisation because of my education, experience and skill set. This vacancy would provide me with the ideal opportunity to assist your organisation and to expand my skills at the same time. Please feel free to call or email me for anything you may need.

I know you are busy, so thank you for your time, consideration and I look forward to speaking with you in the near future.

Yours sincerely.
