Curriculum Vitae (CV)

What job i'm looking for? My positive points

The experience and skills I bring have fully prepared me to succeed in this position. I have solid industry knowledge and have demonstrated competencies in financial astute, management and motivation. Not only do I have a degree specialising in finance and economics, but I am also currently pursuing my Diploma at The Academy of Sound Engineering, a close partner of the company. I have experience with multiple DAW's and I am a certified user of Pro Tools and Dante. I believe my background is an excellent match for your business, and I could confidently contribute to your team. Hopefully, this cover letter and my CV provide a broad view of my work history. I would love to have the opportunity to explain more about my suitability for the position, and I am confident that I am a good fit for the role.
