Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would like to express my interest in this position. I am self-motivated and progress-driven with an extensive background in the Financial, Retail, and Manufacturing Customer Services Industries. With a long-standing record of financial customer service and retail management, I have developed experience that I believe will bring value.

During my 10 years of experience, I have honed the skills necessary to succeed in the position. In my previous role, I exercised skills in customer service, problem-solving and, quality control and consistently contributed to team efforts and organizational improvements. I enjoy brainstorming and coordinating efforts to achieve a common goal. I have gained experience as a production planner at Coricraft Group and it has given me valuable experience in project management and planning. Although, I do not have a Tertiary qualification, I am willing to learn and would appreciate an opportunity to interview for this position.
