Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a 21 year old looking for a job to make ends meet. I currently do not have any working skills because this is the first time looking for a job and i recently just finished my Diploma, but, I can assure you that as much as i may not be skilled I indeed am a fast learner, a good communicator and a down to earth person who can work well with other people. I kindly request to be given an opportunity to prove my capabilities, thank you.
