Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a General production position and a driver position (code 10)

I've working as a general production for seven and my work was to support the panel making that that the panel is well support in order for us to get the panel blasted for that day

I have 7 years experience of driver's license, so now it's my first time driving for a company called ama zwing zwing zipline transporting the tourist from point A to B, what i can tell is that my driving skills is on another level

Thank you looking forward for your response.
