Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a student who is really eager to start gaining valuable work experience. I am open to exploring various opportunities that align with my skills and interests. I am very passionate about mathematics and chemistry, but at the moment I would love to have any job that is available as long as I will gain work experience. I may be a student, but I bring several positive qualities to the table that make me a strong candidate for any job. First and foremost, I have a strong desire to learn and grow. As a student I have made sharp my time management and organizational skills which enable me to excel in a professional setting. I am eager to contribute my energy, enthusiasm and dedication to any job opportunity that comes my way.
