Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am an IT student majoring in software development so the job I want can be in the IT industry because I would like to enhance my knowledge about information technology and get experience. I also have an interest in waitressing, it is something that always intrigued me. Having to serve someone with a smile and see them enjoying their food has always been an amazing experience I wanted to get cause I love helping people. I am great at communicating, a team player and I am reliable.
